Many An East Las Vegas Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in East Las Vegas. There is plenty of proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement:

H. H. Closson, proprietor of the Closson house, 408 Grand avenue, E. Las Vegas, N. M., says: "Seven or eight years ago while operating a saw-mill, I fell and strained my back. Since then I have been subject to pain across my kidneys. When I worked hard or brought any strain on the muscles of my back it caused me great suffering. I could scarcely get up from a chair after sitting for a while and when I caught cold it was sure to settle on my kidneys. By the time I had used half a box of Doan's Kidney Pills, procured at Goodall's drug store, I could see a marked improvement. Whenever I felt any return of kidney trouble a few doses of Doan's Kidney Pills have never failed to give me positive relief. I can with pleasure recommend a medicine of such great value as Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

"THE BURGOMASTER" HERE NEXT TUESDAY

Pixley and Luder's "never grow old" comic opera, "The Burgomaster" the best of all musical shows, will be at the Duncan opera house next Tuesday, April 13. The company is just returning from the Pacific coast and the western press proclaims it by far the best company that has ever presented this really meritorious musical gem.

Harry Hermesen will be seen in the role of "Peter Van Stuyvesant," the jolly, old, one-legged governor of New Amsterdam, and he will be supported by an exceptionally large company. H. P. Hill, advance representative, is in Las Vegas today completing arrangements.

Best Treatment For Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old, reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by all dealers.

R. A. Wages of Loveland will farm the Banks place of 329 acres, out from French. Mr. Wages arrived with a car of horses and machinery, and will begin operations at once. Most of this land will be planted to oats and other grain with a little alfalfa.

Swept Over Niagara.

This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster current—Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's Disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. After long suffering from weak kidneys and lame back, one \$1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only \$1.00 at all druggists.

William Vance of Union valley, reports that he had three fine head of horses killed in the electric storm that occurred in the Roy section some time ago.

A Healing Salve for Burns, Chapped Hands and Sore Nipples.

As a healing salve for burns, sores, sore nipples and chapped hands Chamberlain's Salve is most excellent. It allays the pain of a burn almost instantly, and unless the injury is very severe, heals the parts without leaving a scar. Price 25 cents. For sale by all dealers.

E. B. James, a dry farmer who recently went to Roy from Missouri, is having a well drilled and a substantial house built on his claim a short distance east of that town.

S.S.S.**OLDEST AND BEST BLOOD PURIFIER**

We have never claimed that S. S. S. was a medicine to work wonders, nor one that would cure every physical ailment or disorder. More than forty years ago it was placed on the market and recommended as a blood purifier, and today, after a long and successful career, and when its use has become almost universal, only the same honest claim is made for it—that it is a cure for those diseases and disorders arising from an impure or polluted blood. Time makes no mistakes, and the very best recommendation of S. S. S. is the fact that it has stood a long test and is now more generally used, and has the confidence of a greater number of people than any other blood medicine.

The blood is the most vital force of life; every organ, nerve, muscle, tissue and sinew of the body is dependent on it for nourishment and strength, and as it circulates through the system, pure and rich, it furnishes to these different members the healthful properties needed to preserve them and enable them to perform their various duties. So long as the blood remains free from infection we are apt to escape disease, but any impurity, humor or poison acts injuriously on the system and affects the general health.

Pustular eruptions, pimples, rashes, and the various skin affections, show that the blood is in a feverish condition as a result of some humor, or the presence of an irritating, fiery acid. Rheumatism comes from an excess of uric acid in the circulation, while Catarrh, Sores and Ulcers, Scrofula and Contagious Blood Poison, are all deep-seated blood disorders that will continue to grow worse as long as the cause remains. Bad blood may come from various causes, such as a sluggish condition of the system, imperfect bowel and kidney action, indigestion, etc., or the trouble may be inherited; but whatever the cause the blood must be purified before the body can be healthy.

S. S. S. is a natural blood purifier and tonic. It is made entirely of the harmless juices and extracts of roots, herbs and barks of recognized curative ability, and being free from all harmful minerals is an absolutely safe medicine for young or old. S. S. S. goes down into the circulation and removes any and every trace of impurity, humor or poison. It freshens and enriches the blood and cures promptly and permanently Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Skin Diseases, Contagious Blood Poison, and all other blood disorders. S. S. S. is the most reliable and at the same time a most pleasant acting medicine for those whose blood has become weak and who are suffering with Anaemia, Malaria or some other debilitating sickness.

A blood purifier is especially needed in the Spring to cleanse the circulation of the impurities which have accumulated during the shut-in life of Winter, and S. S. S. is the most reliable and certain of good results. Book on the blood and medical advice free. S. S. S. is for sale at all drug stores. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

Having used S. S. S. extensively I can testify to its merits as a blood purifier and tonic. It enriches, purifies and cleanses the blood of all impurities, and at the same time is a wonderful invigorator, tonic and system builder. It is also a fine remedy for Rheumatism. It is master of this very painful disease, and as a tonic to give appetite, strength to the nerves and build up the system it has no equal. It is a very fine medicine indeed, and I have every confidence in it.
